## INDEPENDENT AUDITORS' REPORT

To the shareholders of AS mogo

### Report on the financial statements

We have audited the accompanying financial statements of AS mogo (the "Company"), set out on pages 7 through 28 of the accompanying 2013 Annual Report, which comprise the statement of financial position as at 31 December 2013, and the statement of comprehensive income, statement of changes in equity, a statement of cash flow for the year then ended 31 December 2013, and a summary of significant accounting policies and other explanatory information.

#### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the International Financial Reporting Standards as adopted by the European Union and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements give a true and fair view of the financial position of AS mogo as of 31 December 2013, its financial performance and its cash flows for the year then ended in accordance with the International Financial Reporting Standards as adopted by the European Union.

### Report on other legal and regulatory requirements

Furthermore, we have read the management report for the year ended 31 December 2013 set out on pages 5 through 6 of the accompanying 2013 Annual Report and have not noted any material inconsistencies between the financial information included in it and the financial statements for the year ended 31 December 2013.
